

Chinese Enterprises List

| No | Company Name | Name | Position | Business Type | Requirements |
|----|--|-------------|--------------------------|-------------------------------------|---|
| 1 | Vitayon Fine Chemical Science & Technology Co., Ltd (ShenZhen) | Zhu Wanping | Chairman of the Board | Fine chemicals, phone coating etc. | <ol style="list-style-type: none"> 1. Glue; 2. New material on phone; 3. Grinding equipment, supplies; 4. Functional resins, coatings; 5. The chemical products and supplies of anodized aluminum; 6. The latest and greatest chemical products on glass touch screen(TP supplies); 7. Circuit board (PCB), fine chemicals (such as conductive ink) on a silicon wafer; 8. 3D printing equipment, supporting supplies. |
| 2 | Beijing Wei Di Nuo Fire Fighting Equipment Co., Ltd. | Liu Caihong | Chairman of the Board | Fire equipment, batteries | Interested in battery, fire robots, remote monitoring container supply, bio-pesticides, Internet platform projects, networking projects. |
| 3 | Jiangsu Myande Food Machinery Co., Ltd. | Wang Mu | Deputy General | Providing all kinds of edible, oil, | Looking for agents. |

| | | | | | |
|----|--|----------------|-----------------------|---|---|
| | | | Manager | press, equipment suppliers | |
| 4 | Beijing UNIFLY Scientific & Technology Co.,Ltd. | Cui Qingxiang | Board of Directors | Auto parts, filters, lubricants, batteries etc. | Ccooperating with automotive filters, lubricants, lithium batteries or car energy saving technology. |
| | | Zhang Jianjun | General Manager | | |
| 5 | Beijing Utop Battery Technology Co.,Ltd. | Jia Yuexiang | General Manager | Batteries | Battery technology. |
| 6 | Qinhuangdao Tianqin Equipment Manufacturing Co., Ltd. | Song Jinsuo | Chairman of the Board | Equipment manufacturing, 3D printing, desalination | Desalination technology, 3d printing, water in air extraction technology. |
| 7 | Qinghuangdao Shinely Environmental Protection Technology Co., Ltd. | Jiang Shuyu | Chairman of the Board | Environmental desulfurization, denitrification, water treatment | Desulfurization, denitrification, atmospheric environmental protection, mobile Internet and environmental technology. |
| 8 | Qinhuangdao RunHe Biological Engineering Co., Ltd. | Xu Zhaoyu | Chairman of the Board | Agricultural fertilizers, aquaculture | Pesticides, fertilizers, aquaculture, farming. |
| 9 | Hangzhou RuiKai Machinery Co., Ltd. | Tang Yingzhong | Chairman of the Board | Industrial processes, industrial robots | Building Robots Technology. |
| 10 | Shenzhen New Industries | Liang Zhen | General Manager | Corporate finance, technical advice | Looking for Cooperation Agency. |

| | | | | | |
|----|---|--------------|------------------------|--|--|
| | Investment Consulting Co.,Ltd. | | | | |
| 11 | Beijing Luckysoar Energy-saving Sci.&Tech Co., Ltd. | Chen Haiping | Chairman of the Board | Fan coil, multi-line, modular air conditioning units, water source heat pump and other products, equipment | Using physical methods to activate general water, shorter molecular chains, molecules smaller, reducing the surface tension of water molecules. Using for animal breeding, improving feed conversion, reducing dead elimination rate and improving meat quality. |
| 12 | Chengdu Maesinfo Co.,Ltd. | Sun Hong | Deputy General Manager | Software services, APP | |
| 13 | Guangdong Solid State Lighting Industry Innovation Center (GSC) | Sui Shirong | Director | LED technology, sales | Introducing the photovoltaic technology of university, experts, team and incubated in China. |
| 14 | Wuxi Runyuan Environmental Protection Equipment Co., Ltd | Mei Xiufang | Chairman of the Board | Water treatment plant, water pumps, sewage treatment | Pump technology, water treatment plant, sewage treatment technology. |
| 15 | Jining Luquan Water Processing Co., Ltd. | Cui Haiying | Chairman of the Board | Water recycling, wastewater treatment | 1. Water reuse and zero emissions; 2. Desalination; 3. Onboard wastewater treatment. |
| 16 | Henan Fengbo Automation | Yang Dezhu | Chairman of | Dynamic measurement and | Solid (liquid and gas) flow rate precision |

| | | | | | |
|----|--|--------------|------------------------|--|---|
| | Co.Ltd. | | the Board | automation equipment manufacturers | measurement technology. Market: building materials, nonferrous metals, chemicals, food industry needing continuous accurate measurement and control of the customer in the production process. |
| 17 | Beijing Allube Petrochemicals Co., Ltd. | He Ye | Deputy General Manager | Lubricant Manufacturers | Looking for agents and OEM suppliers. |
| 18 | Chengdu Jiuzhou Electronic Information System Co.,Ltd. | Zhou Yu | Deputy General Manager | Intelligent traffic monitoring system, food safety traceability systems, electronic traceable scales. | Information technology Industry consulting, Big Data Industry consulting, Cloud Services consulting, Smart City. |
| 19 | Shandong ZhongAo Electric Power Group | Liu Honggang | Chairman of the Board | Intelligent network planning, consulting, electrical engineering survey, design, electricity supply emergency services | Looking for markets. |
| 20 | WanLi Transport Co., Ltd. | Zhang Dong | Vice President | The flow of commerce, industrial manufacturing, agricultural | Vehicle active safety technology, networking, intelligent traffic management. |

| | | | | | |
|----|---|----------------|------------------------|--|--|
| | | | | logistics enterprise distribution, warehousing, pledge supervision services | |
| 21 | Zhongshan World Medical Instruments Co.,Ltd | Xia Honghui | Chairman of the Board | Development and production of silicone rubber medical supplies products | Looking for Israeli agents or advanced medical devices agents in China. |
| 22 | Guangzhou Enttex Medical Products Industry Co.,Ltd | Yun Daxin | Chairman of the Board | Disposable medical supplies and equipment | Looking for partner (hemodialysis technology output) to achieve the dialyzer local production. |
| 23 | JiLin Province Innovation Enterprise Investment Co.,Ltd | Yang Li | General Manager | Government's Venture Capital Guiding Fund | Looking for partners. |
| 24 | Xinjiang Shengzhongxing New Energy Co.,Ltd. | Zhang Hongling | Deputy General Manager | Road and bridge projects, environmental protection projects investment, technology integration, energy management contract | Looking for new road and bridge conservation technology. |

| | | | | | |
|----|--|--------------|-----------------------|--|---|
| 25 | Jiangsu Rongneng Group Co.,Ltd. | Li Weikang | General Manager | Cement manufacturers, environmentally friendly materials in construction | Looking for new building insulation technology. |
| 26 | Jiangyin Zhengbang Tube-making Co.,Ltd | Zhou Jianhui | Chairman of the Board | All industrial piping, automotive tubing manufacturer | Looking for product agents in Israel, automotive or industrial steel demand side. |
| 27 | China-Israel Science & Technology Co.,Ltd | | | Incubator | Looking for agencies or units, organizations stay, joint investment, declaring the project to local government, together enterprise incubators. |
| 28 | Xinda Group (Leader of Special Chemical Polymer Composites in China) | Xia Yu | General Manager | Polymer materials research and development, production and sales | 3D printing supplies technology. |
| 29 | International Procurement Service Center of New High-tech Products | Zhu Wuxin | Chairman of the Board | New technology products in international procurement, trade consulting, international logistics, | High-tech, high-end talent introduction, looking LED agents, project investment, development, financial settlement, cooperation fund. |

| | | | | | |
|----|---|------------|-----------------------|---|--|
| | | | | international money, exhibitions conferences, a comprehensive trade, bilateral international certification, cross-cultural communication, policies and regulations, information, improve the efficiency of foreign aid and other international services | |
| 30 | Beijing Amphora Venture Capital Co., Ltd. | Zhou Weili | Chairman of the Board | Professional equity and value-added services | While performing the layout, trying investment and financing international, as the main core of Israel, Silicon Valley, setting up foreign currency funds, cooperation with foreign funds dual currency parallel fund. Major investment in Internet and bio-pharmaceutical health two areas. Looking for the offshore fund to cooperation with who have resources, financing capability and matching investment. Looking for good projects to introduce Chinese incubation, Internet investment focus this year: Virtual reality, network secure, on-demand sharing platform, consumer health care, new consumer, Internet |
