# ABOUT US

**15+** YEARS  
OF EXCELLENCE  
& INNOVATION

## A FOUNDATION OF TRUST

For 15+ years people have come to us looking for industry-leading nutrition. And we haven't let them down.

Our rich history and deep understanding of health and nutrition have helped us push the limits of what's possible and exceed expectations.

We think without limits, we re-imagine what's possible, we invent products and re-invent categories. We solve problems. We improve. And then we improve some more.

# WE ARE A FAMILY OF BRANDS

vplab

Ultra Vit

## COMBINED EXCELLENCE

Innovation is in our blood and we continue to create cutting-edge products; each packed with high-quality, high-performing ingredients and designed to fit perfectly with our customer's busy lives.

Every product is designed to be safe, effective and enjoyable.

From taste to texture, performance to price, we're on a mission to provide the best all-round nutrition possible. But we don't just fuel workouts, we inspire people to dream big. And dreaming big is the first step to becoming healthier, fitter, faster and stronger.

vplab

# OUR MISSION

**Our customers are committed to being that little bit better every day. And so are we.**

**We exist to help ordinary people achieve extraordinary things.**

## OUR BELIEFS

### REMOVE CONFUSION

Supplements can be confusing but we're here to help our customers live a healthy and active lifestyle.

### INNOVATE

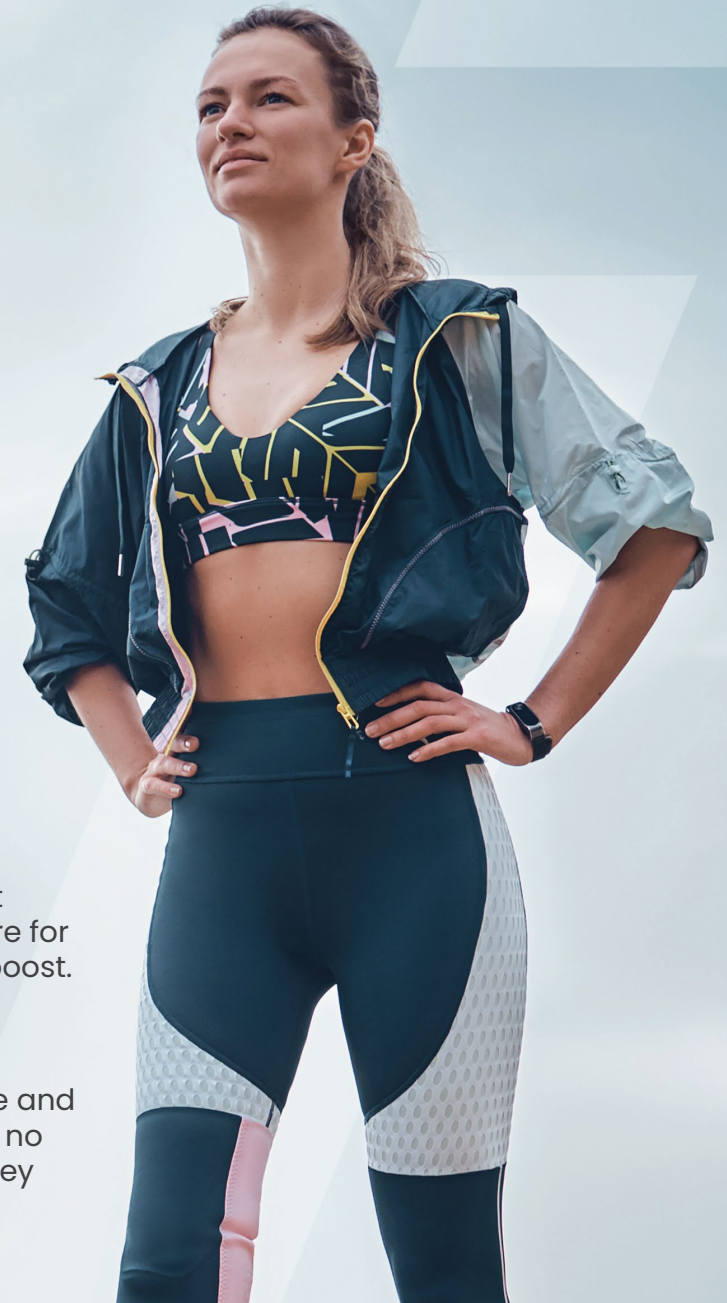

Following our scientific approach, we are committed to continuous research and development. Every Vplab product is designed to be safe, effective and enjoyable.

### INSPIRE

Reaching health and fitness goals isn't always easy but we will always be there for our customers, ready to provide that boost.

### NEVER COMPROMISE

Our customers won't settle for average and we won't either. No half measures and no cutting corners. We give our best so they can give theirs.

# WITHOUT COMPROMISE

**We think without limits, we re-imagine what's possible, we invent products and re-invent categories. We solve problems. We improve. And then we improve some more.**

## Portfolio

Our portfolio contains 200+ premium quality products for energy, strength, muscle growth, endurance, weight management, health, and wellbeing.

## Innovation

We create industry-leading innovations and combine high-quality, high-performing ingredients in exciting new ways.

## Quality

Continuous improvement, constant product scientific research, use of latest technologies and thorough quality control ensure compliance with ISO, USP, GMP certification standards.

## Manufacture

All our products are manufactured in industry-leading factories located throughout Western Europe and The United States.

## BCAA 2:1:1

This new generation BCAA powder is instantly water soluble and quickly absorbed by the body.

- ▶ Helps to prevent muscle breakdown
- ▶ Faster workout recovery
- ▶ Ideal anticatabolic ratio 2:1:1

### FLAVOURS

- Raspberry

### PER 8 G / 1 PORTION

3.6 G L-LEUCINE

1.8 G L-ISOLEUCINE

1.8 G L-VALINE

### PACKAGE | SIZE | PORTIONS

- ▶ Jar 300 g
- ▶ 37 portions

## BCAA 8:1:1

We developed the most powerful BCAA formula in the market. Complex is well known for its anabolic and anti-catabolic properties. With 8:1:1 ratio of leucine, isoleucine and valine, this product provides energy for intensive workouts and improves recovery.

- ▶ Helps to prevent muscle breakdown
- ▶ Faster recovery workout
- ▶ Perfect anabolic ratio 8:1:1

### FLAVOURS

- Mango

### PER 9 G / 1 PORTION

5 G L-LEUCINE

0.6 G L-ISOLEUCINE

0.6 G L-VALINE

1.8 G L-GLUTAMINE

### PACKAGE | SIZE | PORTIONS

- ▶ Jar 300 g
- ▶ 33 portions

## BCAA Ultra Pure

An optimal 2:1:1 ratio of leucine, isoleucine, and valine is simple to use and easy to dose. This ratio is designed to boost muscle growth, maximize energy levels and reduce fatigue during workouts.

- ▶ Rapid release formula
- ▶ Pure free-form BCAA

PER 4 CAPSULES / 2 PORTIONS	
4000 MG	L-LEUCINE
2000 MG	L-ISOLEUCINE
2000 MG	L-VALINE

### PACKAGE | SIZE | PORTIONS

- ▶ Jar 120 capsules
- ▶ 30 portions

## BCAA Chewable

Innovative and easily absorbable free-form BCAA chewable tablets with 2:1:1 L-leucine, L-isoleucine, L-valine ratio.

- ▶ Ultra-micronized BCAA
- ▶ Fast absorption
- ▶ Ideal anticatabolic ratio 2:1:1

### FLAVOURS

- ▶ Red Berry

PER 8 CHEWABLE TABLETS / 2 PORTIONS	
4000 MG	L-LEUCINE
2000 MG	L-ISOLEUCINE
2000 MG	L-VALINE

### PACKAGE | SIZE | PORTIONS

- ▶ Jar 120 chewable tablets
- ▶ 30 portions

RECOVERY

MUSCLE PROTECTION

SUSTAINABLE ENERGY

Sugar free

## EAA+

This is the blend of all essential amino acids, key minerals and B group vitamins. EAA activate the muscle protein synthesis, speeds up recovery and helps to decrease the muscle soreness after physical activity.

- › Magnesium and zinc promotes muscular strength and recovery
- › B group vitamins protect cells from oxidative stress and restore energy

### PER 7 G / 1 PORTION

## AAKG

Arginine Alpha-Ketoglutarate complex features stable form of l-arginine. This amino acid is a precursor of nitric oxide and helps accelerate muscle growth by increasing the volume of blood flow to the muscle tissues.

- › Nitric oxide precursor
- › High potential form of arginine
- › Supports energy levels

PER 3 CAPLETS / 1 PORTION

3000 MG AAKG

PACKAGE | SIZE | PORTIONS

- › Jar 90 caplets
- › 30 portions

## Beta-Alanine

Beta alanine is a non-essential amino acid that helps the body to create carnosine, which is found in muscle cells and has been shown to increase muscular endurance by reducing lactic acid buildup during high-intensity training.

- › Improves athletic performance
- › Supports carnosine synthesis
- › Reduces muscle fatigue

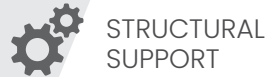

PER 2 CAPSULES / 1 PORTION

1500 MG BETA-ALANINE

PACKAGE | SIZE | PORTIONS

- › Jar 90 capsules
- › 45 portions

## FitActive

Our special isotonic formula is loaded with a blend of easily digestible carbohydrates, essential electrolytes, BCAA, L-Carnitine, Coenzyme Q10, vitamins and minerals.

Product is developed to provide quick supply of energy and to promote hydration during high intensity endurance activity. BCAA 2:1:1 ratio promotes muscular endurance and improves recovery.

- › Fast acting carbohydrates
- › Delivers energy
- › Promotes hydration
- › 2g of BCAA 2:1:1 ratio

100 MG	COCOA EXTRACT
56.3 MG	GINSENG EXTRACT

## L-Carnitine Concentrate

L-Carnitine is a naturally produced amino acid that extracts more energy from fat cells. This means it helps to gain energy from fat instead of muscle. During exercise routine it promotes endurance and prevents from fatiguing too early. Our delicious and fast-acting L-Carnitine concentrate can be taken directly or adding it to water before and during your workouts.

- › Stimulant-free fat metabolizer
- › Enhances energy and endurance
- › Concentrated liquid formula

### PER 10 ML / 1 PORTION

1200 MG L-CARNITINE

 GENERAL HEALTH

 MALE PERFORMANCE

 VITALITY

## Ultra Men's Multivitamins in Softgels

Our unique formula of key nutrients is optimized for men's health, performance and vitality.

- › Immunity, recovery & Energy support
- › Formulated for your total health and wellbeing
- › An unique combination of essential vitamins and minerals

Product is formulated to contain the lowest levels of unneeded additional ingredients, leaving more room for higher levels of the nutrients men need to maintain optimum health.

Ultra Men's Multivitamins in Softgels replenish essential minerals and vitamins, which contribute to electrolyte balance, normal muscle function and protein synthesis, oxygen transport and keeping your bones strong and healthy.

Ultra Men's Multivitamins in Softgels support everyday energy and vitality and help reduce tiredness and fatigue. With this product you have the help you need to keep memory, mental performance, cognitive and psychological function right where they should be. Product is packed full of extra nutrients and botanicals – such as plant sterols, lycopene and CoQ10, designed to give you maximum nourishment and full support.
