

GLOBAL CHALLENGES; DUTCH SOLUTIONS TO REDUCE FOOD WASTE

SEMINAR AND NETWORKING RECEPTION

Israel Trade Fairs & Convention Center
Hall 1 | Conference Room C4
29 April 2015 | 15.30 – 19.00

AgriTech 2015 is the number one convention in for Agro and Food technology in the Middle East. During the AgriTech the Embassy of the Netherlands in Israel welcomes you to the side-event on food waste to meet with representatives of private companies, government officials and experts from Europe, Asia and Africa. This event will provide you with a seminar on food waste and an opportunity.

Topics:

- Technology development
- New market opportunities
- Policy development and international collaboration

Participants from the Netherlands will pitch their business case and there will be the possibility for one on one business matchmaking.
