Ambassador of Lithuania Darius Degutis
has the pleasure of inviting you to*

LIFE SCIENCES BALTICS EVENT

*Presentation of the international forum "Life Science Baltic 2014" and
possibilities for clinical trials in Lithuania*

Lithuania's life sciences industry has been skyrocketing over the last two decades and is now regarded as one of the most advanced in the region. With the pool of 15 000 researchers and specialists the country is on the fast track of becoming one of the top high tech innovation centers in Europe. Lithuania has a very friendly environment for clinical trials. Clinical trials in Lithuania cover a broad range of therapeutic areas. There is a wide choice of advanced laboratories that provide high quality laboratory tests and meet local and EU requirements.

*The presentation & networking buffet dinner will take place on Wednesday, 21th of May 2014 at 7:00 pm
at the Dan Tel Aviv Hotel, Kaete Dan Hall, address: 99 Hayarkon St., Tel Aviv.*
