

# Tsehay Union

## About

Tsehay Farmers Cooperative Union Limited was founded in the year 2000 with 5 cooperatives and now is a union of 63 cooperatives working at 12 Woredas with a total number of 42,768 small holder farmers producing mainly sesame, chickpea, malt barley, teff and ginger. The union purchases Barley, Chickpea, Teff and spices from its members and sells different inputs (fertilizers and herbicides), consumable items and construction materials for discount for its members. Tsehay's vision is to improve the income and standard of living of its members through agricultural production and sustainable market linkages.
