Poland — Warsaw — Expo XXI

10 - 12
September
2013

Warsaw International Windows and Doors Technology Exhibition
WINDOWS & DOORS WARSAW 2013

Windows & Doors Warsaw 2013

W&D is a **professional trade fair** that helps to promote producers and suppliers of the fenestration industry. The exhibition is a **great opportunity** to compare products, services and meet their manufacturers.

Naturally, the show features a **wide range of products**, from windows and doors to gates and shading systems.

Why Warsaw

DECISION CENTRE

Warsaw is a business centre where all decision-makers of the international companies and institutions come to gather and talk

BUSINESS FOCUSED

Warsaw combines foreign investors with local entrepreneurs: 8 159 new companies have started their business in Warsaw only in 2012
