

Short-Term Consultancy Services
Evaluation on Implementation of Conflict Prevention
and Resolution Strategy
Ministry of Federal Affairs (MoFA)

The Ministry of Federal Affairs (MoFA) would like to hire a short-term individual consultant to conduct evaluation of the Conflict Prevention and Resolution Strategy in the Pastoral and Agro-Pastoral areas of Ethiopia.

Objective

The overall objective of the assessment is to evaluate the implementation of conflict prevention and resolution strategy of MoFA and to identify the benefits and challenges of the strategy. The findings of the evaluation will be used as inputs to improve Conflict Prevention and Resolution Strategy of MoFA.

Qualification

Qualification, technical skills and experience required for this assignment includes:

- MSc/MA degree in social sciences,
- Experience in Social Science research particularly in conflict management and consultancy work for at least eight years,
- Experience in working with government offices,
- Demonstrated ability in writing good reports and making presentations for diverse target audiences and
- As the nature of the work requires traveling to different regions in the country, willingness to travel is essential.

Duration

- Duration of the consultancy service is three months from the date of signing contract.

Management and oversight

The individual consultant will work under the guidance of the Ministry of Federal Affairs Policy Analysis, Planning, Finance and Procurement Directorate General and reports directly to MoFA and regional governments will provide information for the successful accomplishment of the assessment.
