About Gujarat

Strategically located on the west coast of India, Gujarat is well connected to the major cities of the world by air and sea routes. Gujarat has a strong Economy with the State Domestic Product rising at an average growth rate of 10.1% between 2005 and 2013, Gujarat was also ranked 1st in India for "Economy freedom among States" in 2013. FDI equity inflows and outstanding investments are approximately USD 9.5 bilion and USD 255.4 bilion respectively.

The Vibrant Gujarat Global Summit, which started in 2003, has since established itself as one of the most important international business events in the country. Vibrant Gujarat Global Summit is an example of the visionary approach of the Government of Gujarat towards inclusive and sustainable development by ensuring policy coherence and effective investment promotion. The 8th edition of the Vibrant Gujarat Global Summit will be from the 10th to 13th of January 2017 at Mahatma Mandir, Gandhinagar.
