

## UKRAINIAN ISRAELI INNOVATION SUMMIT 2019

### *The Industries of the Future. Be Future Ready!*

Tech conference | Expo Zone | Dinner | Kyiv Tech Tour | B2B/B2G Meetings  
Networking Reception | Gala Dinner

The Ukrainian Israeli Innovation Summit (UIIS) is a series of the international tech conferences, aimed at strengthening business linkages and promote strategic cooperation between governments, businesses and startup ecosystems.

UIIS 2018 gathered 400+ participants, 50+ speakers, 60+ companies, 70+ partners from Israel and Ukraine.

**The Ukrainian Israeli Innovation Summit 2019** will be held in Kyiv, Ukraine on **29-31 of October 2019**. This year program will include business tour for Israeli tech companies aimed hto search, negotiate and make partnerships with potential clients and partners from Ukraine.

**Mission and goals:** popularizing Ukrainian and Israeli tech products and services on the international arena, strengthening Israeli-Ukrainian business ties, and promoting strategic cooperation between governments, businesses and startup ecosystems.

#### **Organizers:**

[Global Israeli Initiative](#) is a collaboration platform providing professional services to connect Israel and Ukraine and create a strong and effective partnership with the long-run objective to develop a win-win cooperation for all involved parties.

[UNIT.City](#) UNIT.City is Ukraine's first innovation park. It is the place where matchless infrastructure and all-inclusive ecosystem enable high technology, innovative and creative businesses to happen and flourish.

**Supported by** the Embassy of Israel in Ukraine and the Embassy of Ukraine in the State of Israel.

**Date:** October 29-31, 2019

**Venue:** new building B12 at UNIT.City Innovation Park, Kyiv, Ukraine
