# Our Contributions Into Ghana's **Waste Sector**

# THE BEGINNING

Dumping of refuse **INDISCRIMINATELY** was a norm leading to various health problems

Refuse Heap piled up over the years

Disposal of Waste into Drains

Burning of Refuse

Improper disposal of E-Waste

Dumping of Liquid Waste directly into the sea

Flooding as a result of Choked Drains

# THE BEGINNING

Waste Management was not a dignified venture

In **2006**

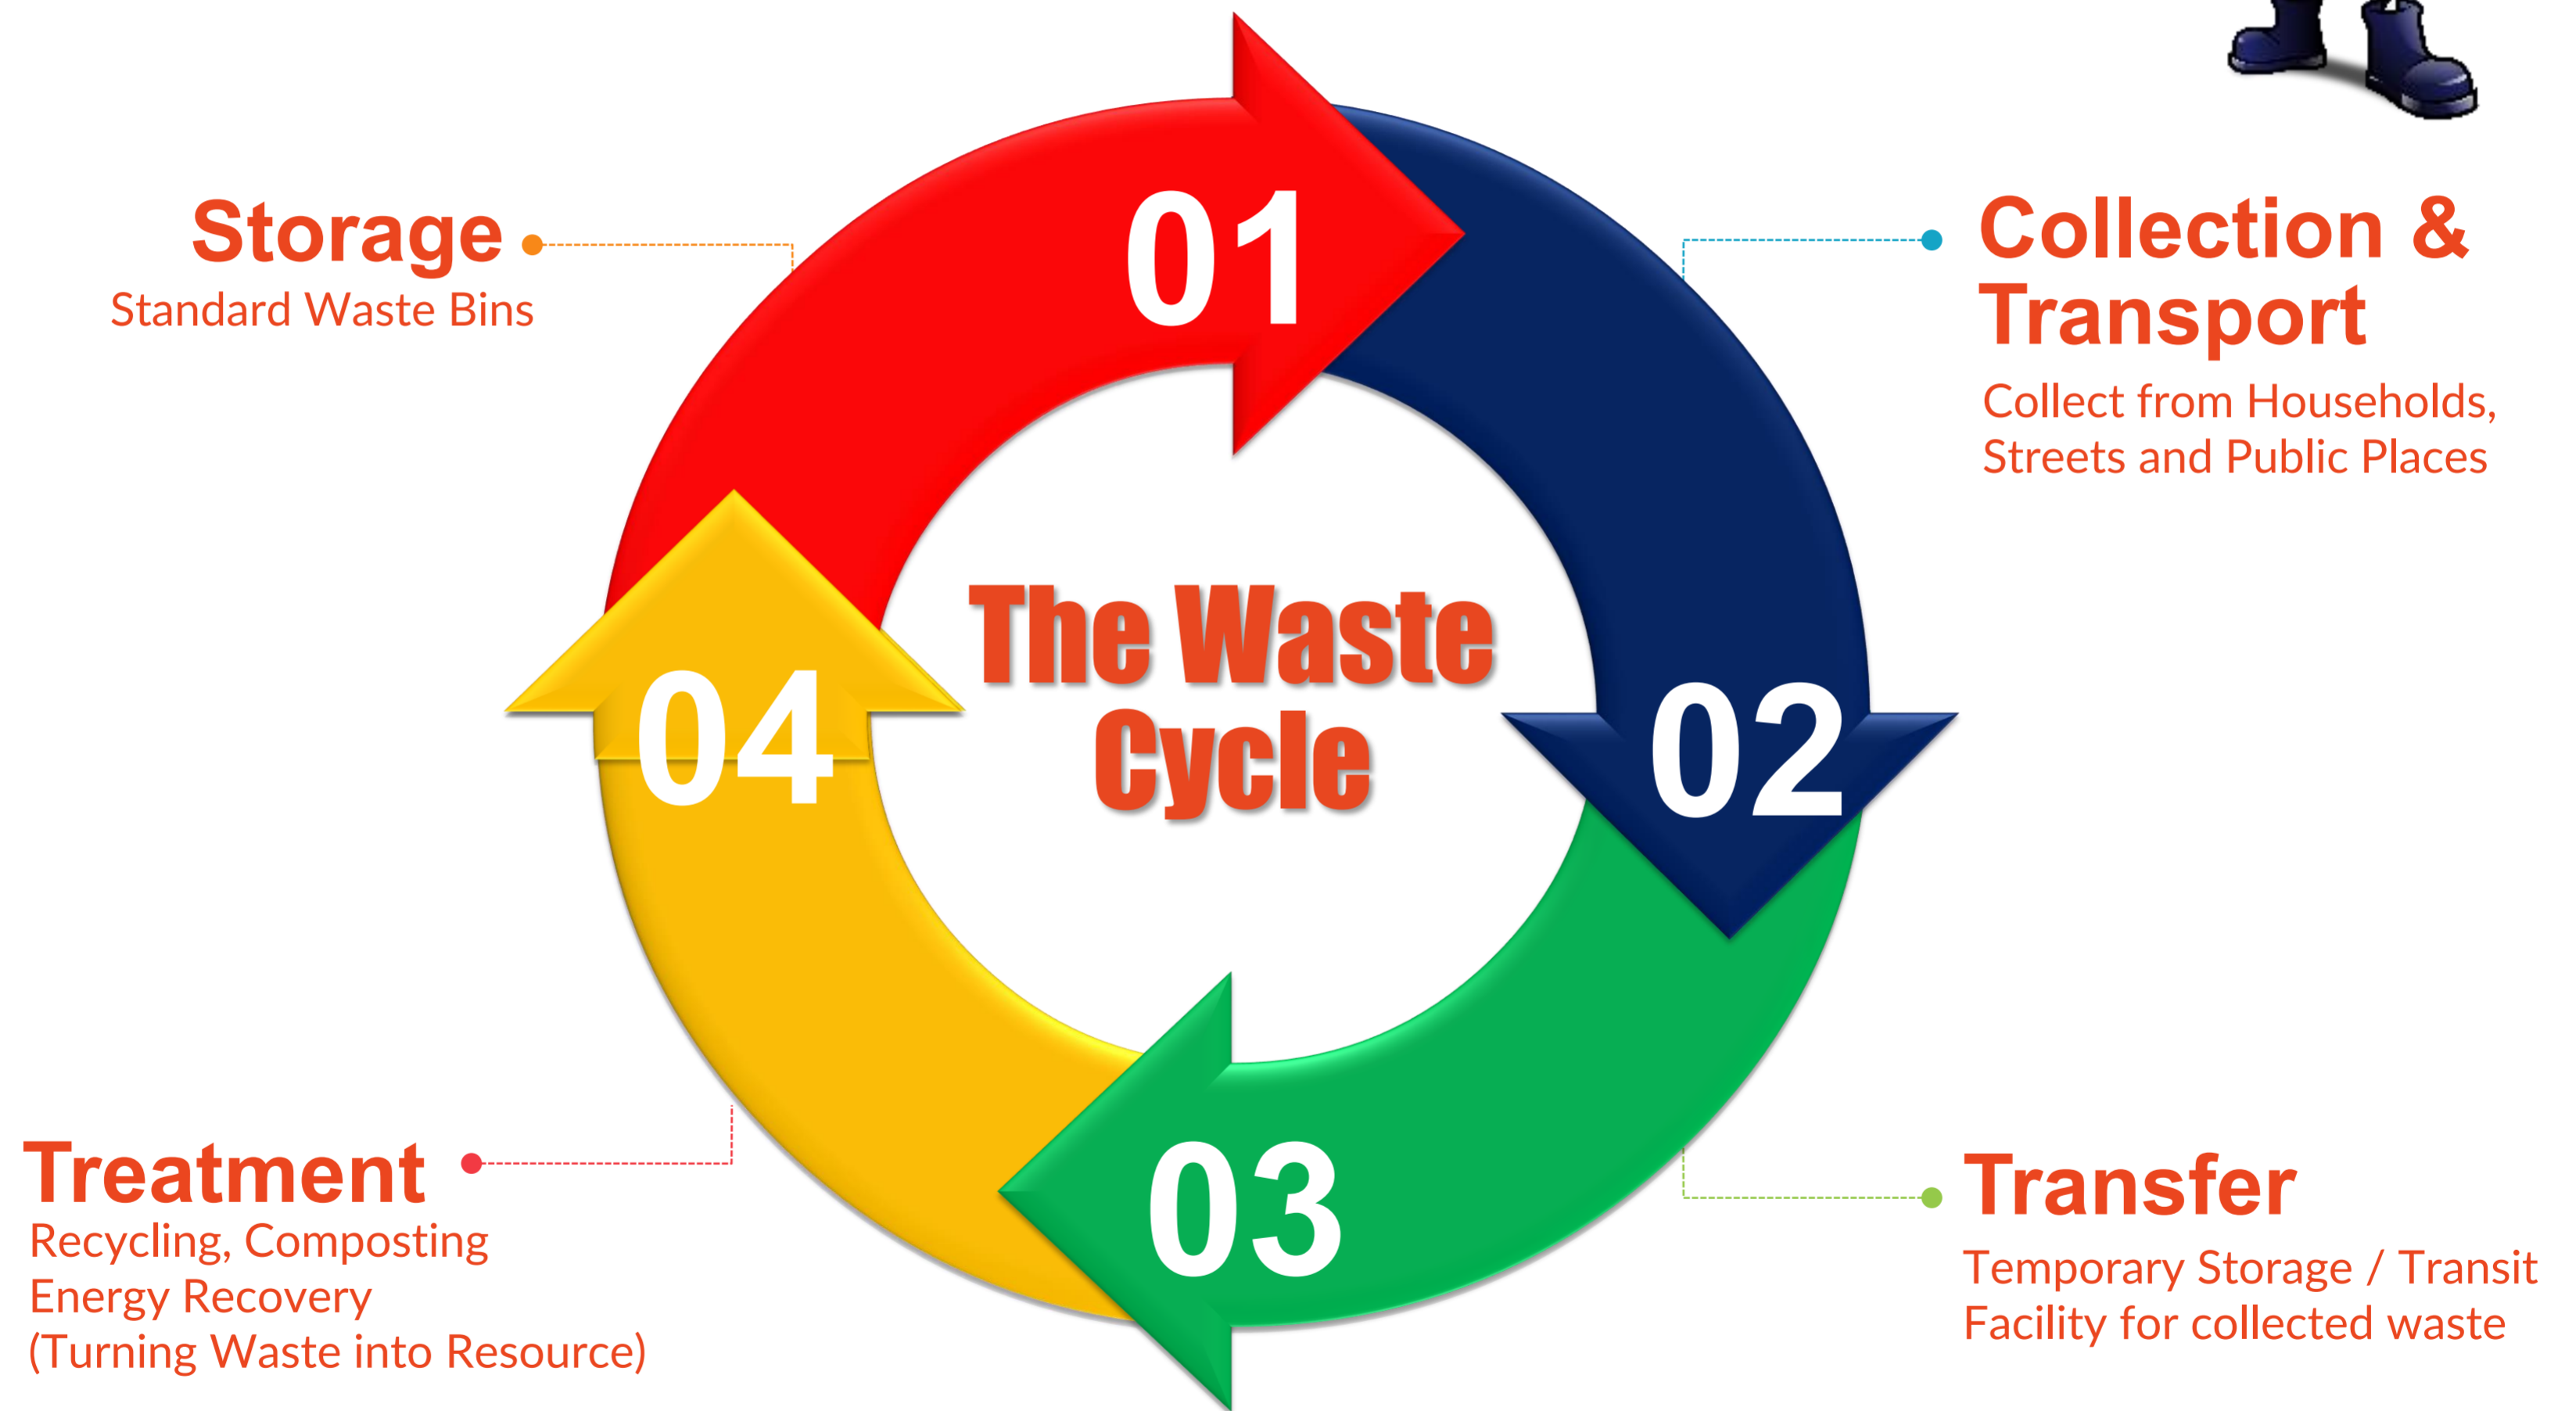

**WE SIMPLIFIED AND DIGNIFIED**  
**WASTE COLLECTION**
