

Meet the **Belgian** **companies** @ **MWC Barcelona**

Barcelona, Spain 24-27 February, 2020

Top Belgian companies will be present at Mobile World. Many are looking for clients in Israel, or companies that will represent them there (click on the logos below to check out the websites).

The commercial section at the Belgian embassy in Israel can introduce you to the Belgian company you are interested in and set up a meeting. We will be on location, at Mobile World, to assist. All, free of charge. [Contact us](#).
