WasteExpo has once again been selected by the U.S. Department of Commerce (DOC) to participate in the Trade Event Partnership Program for 2022.

We appreciate the past support of the DOC and look forward to working with them toward another successful event. WasteExpo held in Las Vegas had the pleasure of hosting 14,500 participants including more than 1,400 buyers from 104 countries outside of the United States.

WasteExpo is the largest trade event in North America serving the solid waste, recycling and organics industry with education and products on waste collection, transport and processing, recycling and disposal technologies, composting/organics management, safety, sustainability, resource recovery, food waste and much more.

Who Should Attend?

Municipal authorities and private sector professionals responsible for waste management and resource recovery.

What Will You See?

You will see more than 600 exhibiting companies displaying the latest solid waste, recycling and technologies and equipment to 14,500 industry participants from 104 countries.

WasteExpo exhibitors cover the entire waste, recycling and organics industry.

You will see everything from: trucks, trailers, loaders and cranes to balers, carts, compactors and shredders to recycling equipment and landfill liners and equipment. You will also see the most up-to-date advances in:

- Waste-to-Energy Technologies
- Methane Gas Collections
- CNG Vehicles
- Composters
- Waste Reduction
- Processing Technologies
- Food waste & recovery

There will be leading engineering and consultants firms as well as technologies to help you run your business or department more efficiently.
