

# 2021 Show Facts

## Key Exhibitors

## Overseas Exhibitors

- Nagano Small and Medium Enterprise Support Center
- TAIWAN NOBLE ELECTRONIC CO., LTD.
- GUIDANCE TAMIL NADU
- ELECTRONIC INDUSTRIES ASSOCIATION OF INDIA (ELCINA)
- European Bank for Reconstruction and Development (EBRD)
- UNDERWRITERS LABORATORIES (UL)
- Bostik SA
- mPrest Systems Ltd.

## Remote Exhibition Service

- ◆ Providing physical booth design, on-site workforce, on-site video connection for business meetings and customized marketing solutions.
- ◆ The innovative way of an exhibition that breaks through border restrictions in the post-epidemic period.

## Date & Time

Oct. 26<sup>th</sup> 10:00 - 17:00  
Oct. 27<sup>th</sup> 10:00 - 17:00  
Oct. 28<sup>th</sup> 10:00 - 16:00

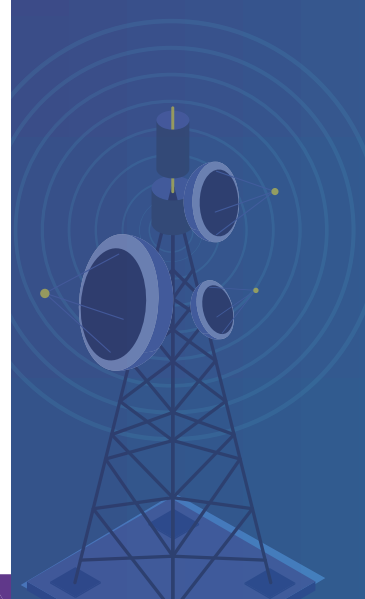

## Contact Information

### Exhibition Dept., TAITRA

Mr. Hardaway Chan

TAITRONICS

**TAITRONICS**  
Taipei International Electronics Show

**AIoT Taiwan**  
Taiwan International AIoT Show

2022 Hybrid

**OCT. 26-28, 2022**  
Taipei Nangang Exhibition Center, Hall 1  
Creating a new era with advanced electronics

Organizers:

 Taiwan External Trade Development Council

 Taiwan Electrical and Electronic Manufacturers' Association

## Electronics Manufacturing and Applications Taiwan (EMA Taiwan)

"TAITRONICS", "AIoT Taiwan", "TPCA Show", and "OPTO Taiwan" are integrated and exhibited as "EMA Taiwan".

This combination of trade shows fully presents Taiwan's electronics industry ecosystem. Furthermore, it brings the future trends in technology and applications through the cross-domain integration of the electronics industry.

# TAITRONICS

Taipei International Electronics Show

TAITRONICS 2022 will focus on Taiwan's precision electronic technology, adding next-generation communication technology and applications (such as low-orbit satellites, receiving stations and transmitter components, etc.) exhibition area. When the global industrial chain field is striding into space, it further highlights the importance of Taiwan's electronics industry in the world.

### Exhibits Areas

Electronic Components & Parts    Meters & Instruments

Industrial Process & Automation Equipment

Cells, Batteries & Power Supplies

Lighting Technology & Applications

Next-G Communication Tech & Applications **NEW!**

## AIoT Taiwan

Taiwan International AIoT Show

AIoT Taiwan focuses on smart, innovative IoT-related applications and experience applications. This year, new themes such as Metaverse and blockchain-related applications are added to the show to demonstrate the strength of Taiwan's electronics industry to the world.

### Exhibits Areas

IoT Devices & Sensors    Intelligent Services

Cloud, 5G & Broadband Communication

Startups    Circular Economy

Metaverse Applications & Experiences **NEW!**

## DigitalGo

The exhibition will continue to be hybrid by integrating virtual and physical showcasing methods, strengthening interactive communication and information exchange, and providing services such as online virtual exhibitions, conference reservations, and business opportunity matching.

**Online Product Catalog**  
opens 24-7

**Online meeting reservation**  
linking global buyers and manufacturers

**Online instant messaging**  
shorten the distance between buyers and manufacturers

**1-on-1 business matchmakings**  
on site Guide for Online Visitors

**Real-time participation industrial forums**  
gain insight into industry information without any time zone difference
