EKO MODULIS

Company name: **Eko Modulis**
 Home page: **www.majakatram.lv**
 Contact Person: **Valdis Graumanis**
 Position: **Board member**
 Phone: **+371 26422224**
 E-mail: **info@majakatram.lv**

BUSINESS OFFER

"Eko modulis" is Latvian company with its core business line in manufacture of wooden-panel prefabricated houses. "Eko modulis" is the only company in Latvia that offers this kind of wooden-panel prefabricated houses, therefore there is plenty of room for growth and development in this area of business. Company is looking for housing dealers to help with sales of the houses as well as with expansion of international market.

All additional information is available on company website: <https://www.majakatram.lv/lv/>

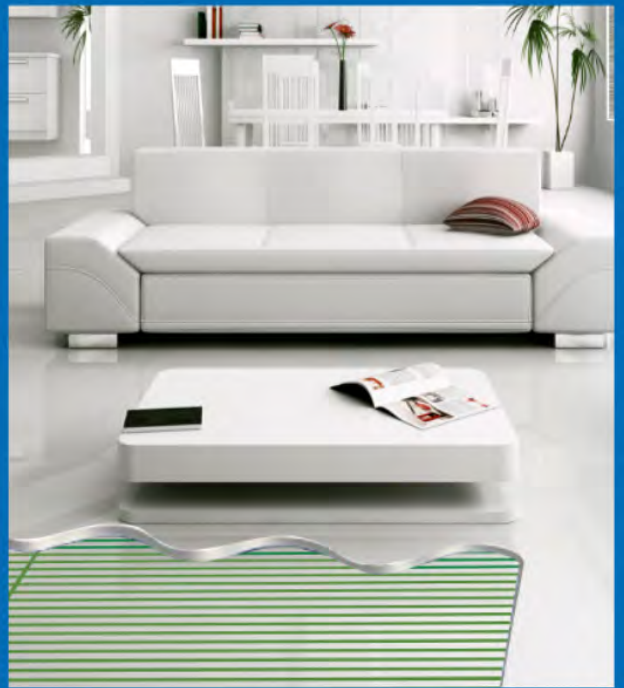

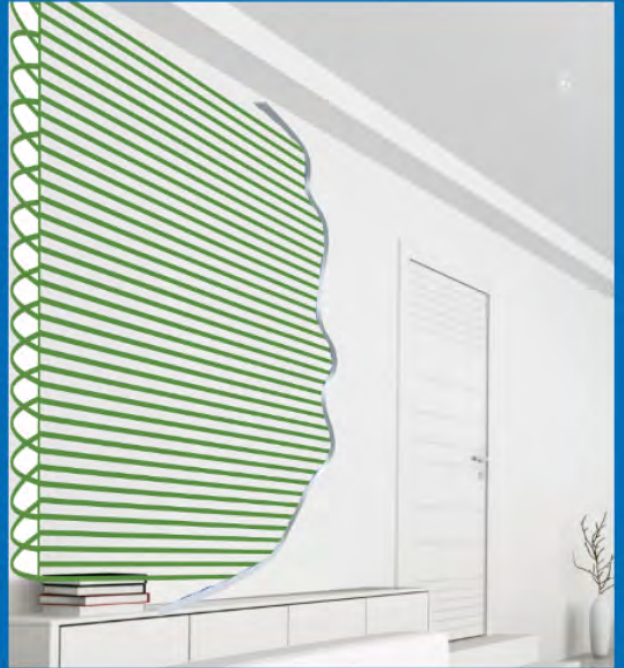

ABOUT THE COMPANY

"Eko modulis" is an LLC company based in Latvia. Company was founded in 2016 and has its own factory in Jelgava. Main occupation of the company is the manufacture of wooden-panel prefabricated houses.

Company prides itself on being able to construct and produce almost any type of housing based on the customer preferences.

All houses manufactured by "Eko modulis" are built only with use of the highest quality (C24) materials. Company greatly values relationship with clients and is focused on growth. That's way "Eko modulis" is open to new partnerships and a worthy company to join to.

Home page: **www.hydrokapillare.eu**

Contact Person: **Sandra Bukane**

Position: **CEO**

Phone: **+371 29545538**

E-mail: **info@hydrokapillare.eu**

BUSINESS OFFER

SIA Hydrokapillar Tech offers a highly energy-efficient and innovative water capillary mat heating and cooling system - HYDROKAPILLARE®.

The core components of the HYDROKAPILLARE® system are manufactured in our factory in Latvia.

You can find more information about our products on our website <https://hydrokapillare.eu/catalog-and-downloads/>

We're looking for distributors of the HYDROKAPILLARE® technology in the EU and other countries.

ABOUT THE COMPANY

SIA Hydrokapillar Tech is a full service company that offers a sustainable low-temperature (+28-32°C) water capillary mat heating and cooling system HYDROKAPILLARE® that minimizes heating and cooling costs and provides great comfort in all seasons.

The HYDROKAPILLARE® technology is particularly efficient in combination with heat pumps, but can also be connected to other energy sources. It's a flexible system that can be adapted to the architectural needs of the building and used in various functional combinations: heating only, cooling only, and heating and cooling in one system.

Location

The hotel is conveniently located a short drive away from city center, where guests will find the most popular tourist attractions of the city. With a shopping mall less than a kilometer away, and a public transportation stop just a minute's walk from the hotel, it is a convenient launch pad from which to explore Riga.

History

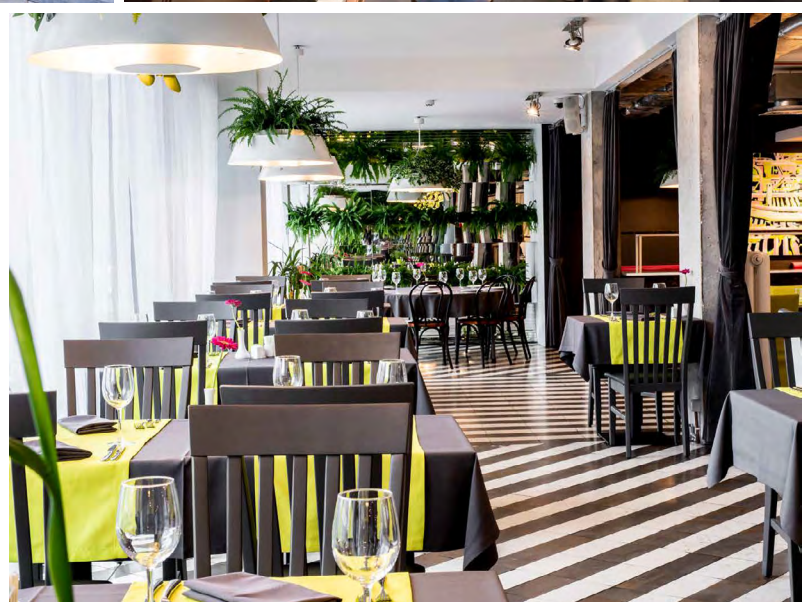

The Rija VEF Hotel is located near the historical VEF (State Electrotechnical Factory), which was one of the largest factories in Latvia. The VEF produced telephone and radio parts in the Soviet Union. In 1939 the Minox sub-miniature camera was developed in the VEF by Valters Caps, a photo-technical constructor of Baltic-German descent. The camera is included in the architecture and design section of the Latvian Culture Canon.

Room amenities

Each of our rooms comes equipped with a shower, tea/coffee makers, ironing equipment, a bath, and a direct dial phone, air conditioning .

Services

- Lobby bar
- Parking lot
- 24 H reception
- Free Wi-Fi
- Buffet breakfast
- Cards accepted
- Pets allowed

Restaurant & dining facilities

The restaurant at the Rija VEF Hotel serves filling breakfasts in the morning, healthy business lunches on weekdays, and dinners with A La Carte service upon request. The VEF Restaurant has convenient access to free parking and a view of the magnificent architecture of the VEF main building. In the summertime, the terrace on the 6th floor offers a cozy atmosphere under the sunny sky and a great selection of food and drinks.

Conferences

The Rija VEF Hotel houses 4 comfortable and fully furnished conference halls. From meetings with just a few board members to presentations to groups of 100 associates, the hotel's conference facilities can accommodate and cater for all professional gatherings. Each room comes equipped with:

- A projector
- A screen
- A flip chart with markers
- Pens, pencils, paper
- Free Wi-Fi
- Still drinking water

Conference Rooms

- Conference Hall "Riga" (77 m²)
- Conference Hall "City" (120 m²)
- Meeting Room "Vef 1" (20 m²)
- Conference Hall "Europa" (44 m²)
