Brazilian Calendar of Exhibitions and Fairs

2014

The background of the page is a large, abstract geometric pattern composed of numerous triangles. The triangles are arranged in a grid-like fashion, with some triangles pointing up and others pointing down. The colors used are various shades of green (from light lime to dark forest green), blue (from light sky blue to dark navy), and cyan. The pattern is partially obscured by the text and the year '2014'.

BRAZILIAN CALENDAR OF EXHIBITIONS AND FAIRS

2014

The Brazilian Calendar of Exhibitions and Fairs is a co-publication of the Department of Commerce and Services Policies - DECOS, the Secretary of Commerce and Services - SCS, the Ministry of Development, Industry and Foreign Trade - MDIC and the Department of Trade Promotion and Investments - DPR of the Ministry of External Relations - MRE. The partnership between these ministries began with the creation of the Permanent Intermministerial Working Group, established by Ordinance N° 5 of January 11th of 2008.

This Calendar does not include all companies or promoters of events, nor all events happening in the country. There may be others with the same excellence in achievement, qualification and reliability. The events included in the edition were inserted in the Trade Fairs Exhibitions System (www.expofeiras.gov.br) through the free initiative of their respective promoters.

All event information provided herein are the sole responsibility of the companies and promoters. Additional information can be obtained on the event's website and/or with the companies or promoters, whose address and phone numbers are available at the end of this publication.

The distribution of The Brazilian Calendar of Exhibitions and Fairs is free, and the information contained therein can be accessed on the websites: www.expofeiras.gov.br and www.brasilglobalnet.gov.br.

INTRODUCTION

The Brazilian Calendar of Exhibitions and Fairs is an official publication of the Federal Government. Produced annually since 1969, it covers up events in several sectors and shows the variety of the economy in our country.

The calendar is a cooperation of private and public sectors and it is organized and publishes in several languages (Portuguese, English, Spanish and French), in Brazil and abroad, by the Ministry of Development, Industry and Foreign Trade - MDIC and the Ministry of External Relations - MRE.

The printed version of the Brazilian Calendar of Exhibitions and Fairs in Portuguese and in English, is distributed free of charge throughout Brazil for event's promotion, business, municipalities, chambers of commerce, organizations representing the private sector, public agencies, conventions centers, consulates, embassies and any person or entity that has an interest in receiving the copy. Abroad, the distribution is carried out by the Ministry of External Relations - MRE through the Trade Promotion Sectors - SECOMs located in the Brazilians embassies and consulates.

The electronic version, available in the language above, can be found for free consultation and download through the System Exhibition (www.expoferias.gov.br) and BrazilGlobalNet (www.brazilglobalnet.gov.br). On these websites the registered events can be found quickly and objectively, allowing the search through existing filters such as "date", "event name", "Industry" and/or "place of performance". Furthermore, it is possible to contact the promoters of each event.

The Brazilian Calendar of Exhibitions and Fairs is a valuable tool for foreign and Brazilian Businesses, as it relates events that can be translated into new business opportunities. The fairs provide knowledge of new technologies, enable business strategies, raise the competitiveness against the demanding global market, besides promoting business tourism, therefore contribution to the economic growth in the country.

Good research and good business!
