## INVITATION FOR BID

The African Medical and Research Foundation (AMREF) is an international non-for-profit, non-governmental organization that was founded in 1957 in East Africa, seeking to provoke health care improvements of significance important in Africa. Headquartered in Nairobi, Kenya, AMREF has country offices in Ethiopia, Kenya, Tanzania, Uganda and South Africa and field offices in Southern Sudan and Somalia.

Although AMREF has been formally registered in Ethiopia in 1998, a full-fledged country program was started in 2002. Since then, the country program has grown from one project in Addis Ababa to over 20 projects in four regions (Addis Ababa, Afar, Oromia and Southern Nation, Nationalities and People Region). AMREF in Ethiopia (AMREF ET) is working in health development with the motto of providing better health for the people of Ethiopia.
