

## Company Profile

Today, after a 52 year course, Petoussis Bros Limited has dominant position among the most important suppliers of best quality products in the Cypriot construction industry market.

We have showrooms and timber warehouses in Nicosia, Limassol and Paphos, thus always being in close proximity to the customers.

Additionally, we own wood flooring and MFC storages in London, from where we supply the whole of the United Kingdom with our own product "XYLO FLOORING". Furthermore, we exclusively represent and distribute Cleaf Spa products in the UK, which is a leading and innovating company in the production of MFC, under the brand XyloCleaf and through our subsidiary P&L(UK) Ltd.

In Cyprus Petoussis Bros Limited is the leading company in the Timber Trade with more than 20,000 square meters of warehouses.

Furthermore, we supply more than 40,000 products including roof tiles, thermal and water insulation materials, wooden flooring, decking, bathroom accessories, kitchen and wardrobe accessories and mechanisms, wooden external doors and windows, varnishes, door handles, furniture fittings and drywall products most of them being exclusive agencies of our company.

We exclusively represent well-known brands like Saint Gobain (Rigips, Weber), Cleaf, Grass, Adler, Danese, OMPorro, Sige, Gazzotti etc.

Petoussis Bros Limited undertakes the supply and fixing of internal doors, wardrobes, kitchens, wooden and laminate flooring, external doors and windows, raised floors, partitions in big projects like Aphrodite Hills Alexander Heights, different Banks and Offices.

Our remarkably skilful staff is always willing to respond to any demands.
