A Message from the Chairman

His Excellency Dr. Raphael Nagel

“Finally, the time is right to grow together what belongs together”

Our big dream is to create common market of the Middle East, with more than 400 million people living in it. I have always admired the policy of the UAE in terms of how open-minded they have been. The global members of the organization have all shared a vision of tolerance, prosperity and economic peace that align perfectly well with the UAE’s cosmopolitan and multicultural environment.

At The Abrahamic Business Circle, we see economic diplomacy as a tool to create long-term relationships between populations of the different countries and religions, we want to create a space where entrepreneurs and scientists from all over the globe can work together collaboratively. We want to create a technology campus here in Dubai, where people can live and work together.

Sincerely,

His Excellency Dr. Raphael Nagel
