GFF-2022

~A truly global experience

- National Payments Corporation of India (NPCI), in association with Fintech Convergence Council (FCC) & Payment Council of India (PCI), are organizing the 3rd edition of the 'Global FinTech Fest' (GFF2022), which is expected to become one of the largest FinTech events across globe.
- The Global FinTech Fest will be a hybrid event held in India's foremost venue, Jio World Convention Centre in Mumbai from 19-22 September, 2022.
- The event will also be broadcast live to the world via a fully interactive virtual platform.

GFF-2022 Ecosystem

Engaging with ecosystem actors for creating a sustainable financial world. Following stake holders are playing a pivotal role in connecting stakeholder and bridging the divide to bring change and achieve the **Sustainable Development Goals**

Policy Makers and Regulators

Better financial health of individuals improves the capacity to be productive citizens .
How policy approach with FH lens can be key to improve customer protection mechanism, etc.

Community
Civil society agencies and communities that help drive change

Corporates
Corporates which are important part of the ecosystem. Banks have the infrastructures to reach to the lowest person in the entire ecosystem,

Financial Services Providers

Achieve growth outcomes & maximize long term shareholder value by putting customer's financial health at the centre. How FH could be the pathway to create and deliver better services and in-turn drive enhanced customer engagement

Fintechs

Innovation and tech adoption catalyzes the opportunity to collaborate with Banks and other institutions.
