

## Company Profile Nueso Industrial services

# 360° solutions in your added value chain

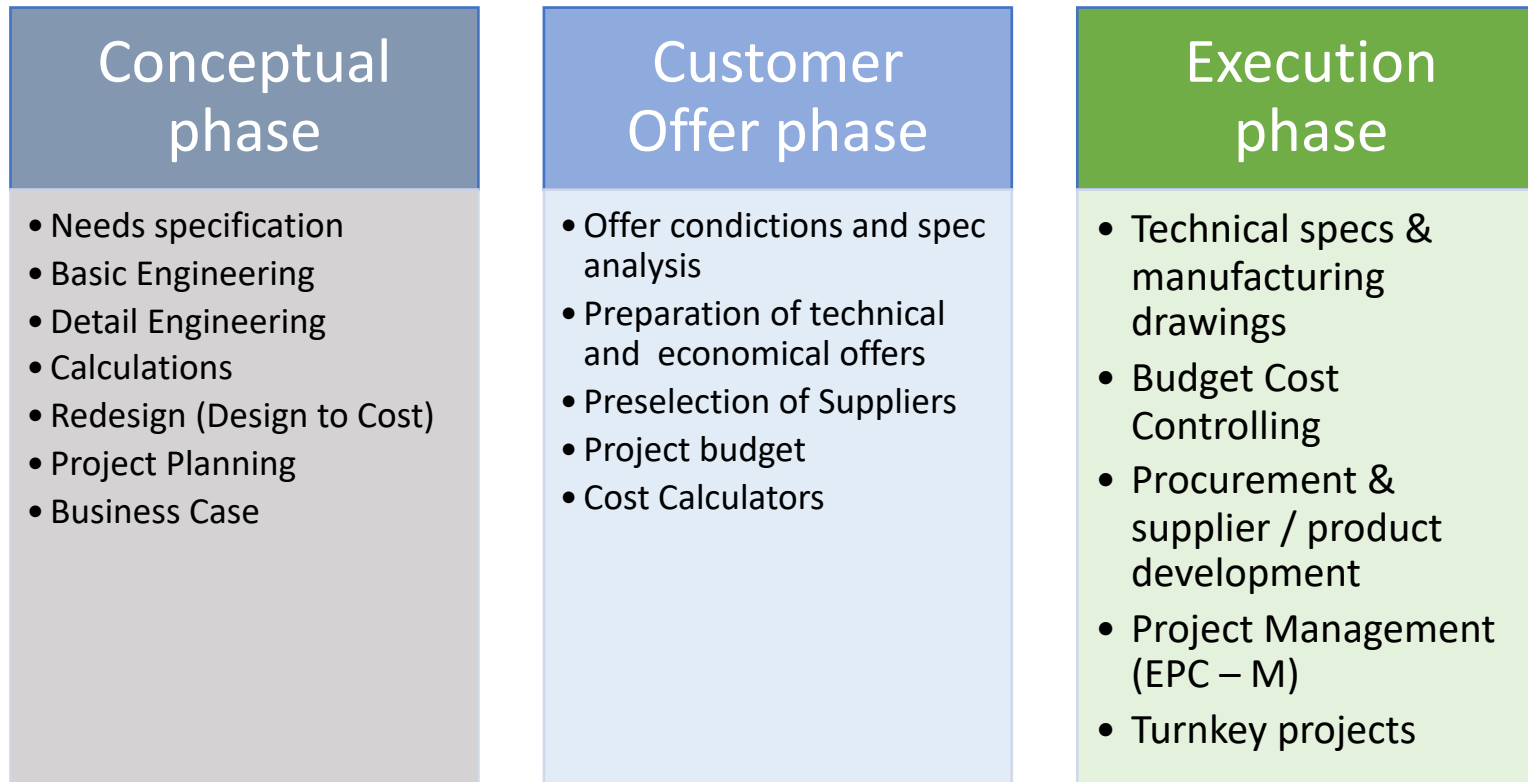

Nueso Group was born in 2016 driven by a group of professionals specialized in managing international industrial macroprojects from different multinationals such as Vestas and A.P. Moller.

Nueso Group has two fundamental lines of business, Industrial and Health.

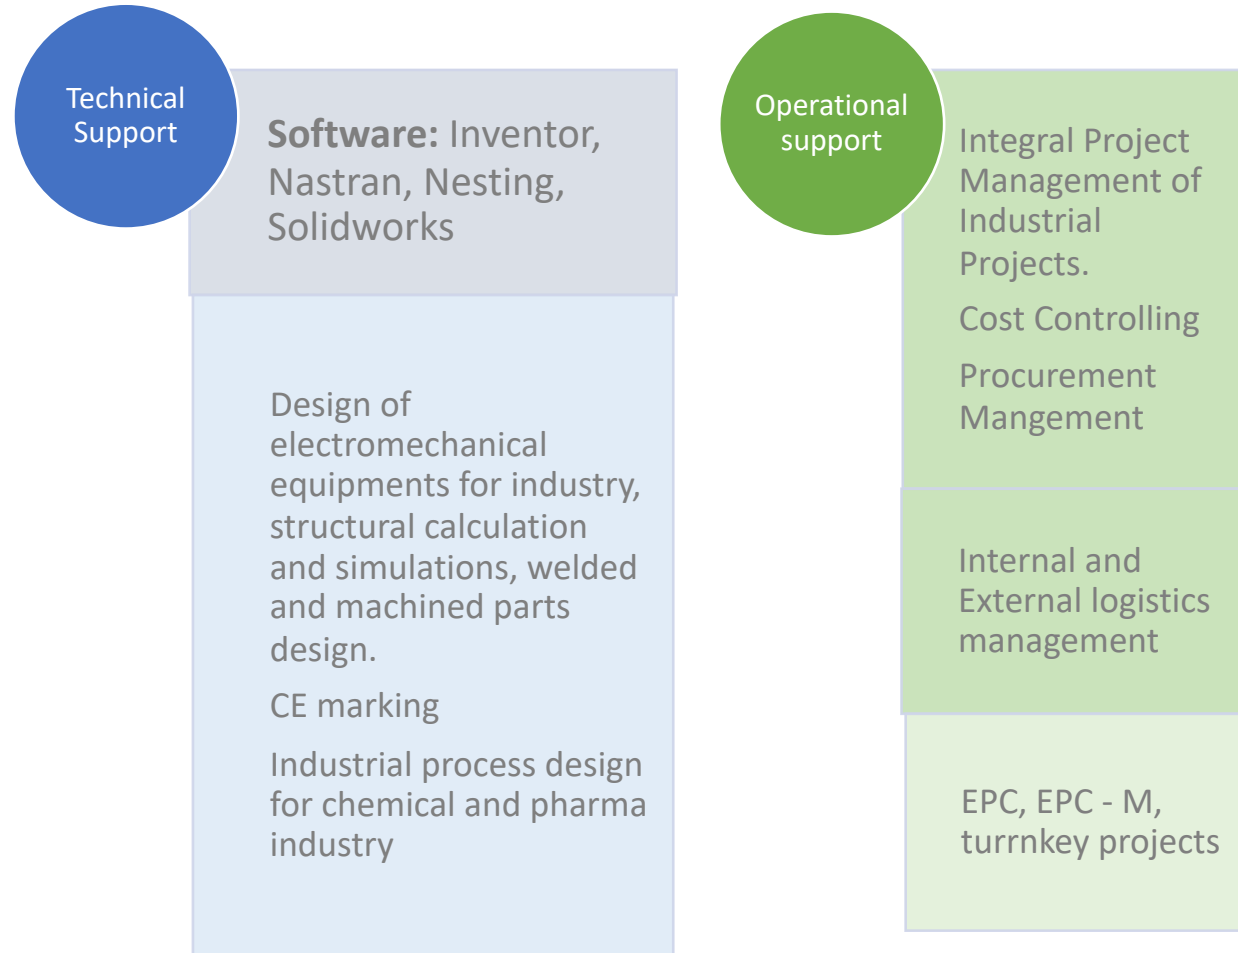

At Nueso Industrial we are specialists in industrial development covering all facets of the value chain of an industrial product or project, offering our clients a comprehensive, flexible, competitive and sustainable service.

# ¿ How to make your company more productive without increasing structure or fixed costs?
