

BUILDING THE BLUEPRINT FOR AUTONOMY

XPONENTIAL is a yearly gathering of global leaders and end users in the uncrewed systems and robotics industry. Founded on the belief that cross-pollination drives innovation, it features opportunities to connect and problem-solve with experts across markets and domains.

XPONENTIAL 2023 in Denver, Colorado, is your chance to contribute to the next draft of the Blueprint for Autonomy. Each layer of the plan depends on the unique perspective and skills of leaders in our community. That's why we're exploring four core themes this year: the design, operationalization, integration, and safeguarding of uncrewed and robotic technologies.

600+
Exhibitors

60+
Countries

20+
Industries

CUTTING-EDGE TECHNOLOGIES ONLY AT XPONENTIAL:

COMPONENTS + SENSORS

JOIN A U.S. COMMERCIAL SERVICE DELEGATION

XPONENTIAL is a proud participant of the U.S. Department of Commerce's Trade Event Partnership Program (TEPP). Through the Department of Commerce's network of U.S. Commercial Service (USCS) offices in U.S. Embassies and Consulates worldwide, trade specialists organize buyer delegations and bring them to selected trade shows in the U.S., connecting them with U.S. companies. USCS trade specialists can assist international buyers with XPONENTIAL registration, help locate products at the show, and assist in setting up meetings with U.S. exhibitors.

EXCLUSIVE BENEFITS FOR INTERNATIONAL ATTENDEES AT XPONENTIAL

Traveling to the show with an official USCS delegation allows you to take advantage of these benefits:

- ▶ **Complimentary XPO Hall Pass**
- ▶ **20% discount on Full Conference Pass or VIP Pass**
- ▶ **Personalized assistance with registration and meeting setup with U.S. exhibitors**
- ▶ **Access to the International Trade Center and on-site amenities including the option to reserve meeting space**
- ▶ **Invitation to XPONENTIAL's networking events**
